

Greetings!

We want to make sure you are included in the discussion: Does Health Advocacy Matter? Our Annual Meeting on Nov. 13 from 7:30 am to noon will explore this topic in-depth. The challenge? There are many:

- Health Advocacy is not easily defined
- There is no national credential for health advocates
- Health advocacy is not currently reimbursed for patients

WASHAA is an organization where people gather, collaborate and build programs to:

- 1) Create awareness about what health advocacy is
- 2) Teach health advocacy skills
- 3) Connect patients to health advocacy resources in our state

JOIN US! We invite you to join us at our third annual meeting on Friday, November 13 - but don't delay in registering because seating is limited. Registration only takes a minute at [our event website here](#). See you there!

Sincerely,

Robin Shapiro

Chair, WASHAA Board

WASHAA's 3rd Annual Meeting registration is *still* open!

Join us on November 13th in Seattle!
