

Dear <<First Name>>,

It is nearly spring here in the Pacific Northwest and we are looking forward to the thought of gorgeous flowers, lots of sunshine, and many new treats for you to enjoy from WASHAA. We have been working hard on creating our first webinar that will earn you CPU credits. Please look for an email mid-March regarding registration.

Our Health Advocacy Community has been tremendous and we would like to share a few great upcoming events this month from local partners: [ABC's and D's of Dementia](#) hosted by With A Little Help, Inc., and we look forward to featuring Karen Griffin from Compassion and Choices looking at Washington State's "Death with Dignity" Laws for WASHAA's upcoming webinar.

Please browse the upcoming events listed below and check our community [calendar](#) for events in your neighborhood.

Sincerely,

Robin Shapiro  
Chair of the Board, WASHAA

## Upcoming Events

[The ABC's and D's of Dementia](#)

A Workshop by Teepa Snow

Please join [With A Little Help, Inc.](#) for a fabulous opportunity to learn a positive approach to communicating with, or caring for anyone experiencing any level of dementia. These workshops are designed for families, friends and professionals.

Date: March 10-12, 2015
