

Greetings!

GIVE BIG for WASHAA on May 3

This is the first year for WASHAA to participate in the campaign, **GiveBIG**, The Seattle Foundation's 6th annual online, one-day community giving event.

On May 3, the Seattle Foundation will match a portion of every **gift** made to WASHAA through their website. In addition, an anonymous donor has offered WASHAA a matching challenge grant! Our anonymous donor will match up to \$2,500 dollar for dollar. These matching dollars are in addition to the stretch funds from the Seattle Foundation and GiveBIG sponsor.

How to GiveBIG for WASHAA on Tuesday, May 3:

Visit our profile page <http://tinyurl.com/WASHAA-GIVE-BIG> and donate through the Seattle Foundation to GiveBIG for WASHAA.

****New this year - You can [schedule your GiveBIG donation](#) now to be processed on May 3.**

Your donation helps WASHAA develop and maintain our programs and organization. We are currently all volunteer-run but hope to raise money for part-time staff. Help us expand health advocacy for everyone in our state!

Is A Volunteer Health Advocate in Your Future? Volunteer Training Launches At Two Sites

West Seattle Senior Center and the Phinney Neighborhood Village (PNV) are partnering with WASHAA on the Volunteer Health Advocate program, which launched last week at both sites. Volunteers from each organization participated in a six-hour training to learn more about how to do this role for community members. Training included real - life examples of how volunteer health advocates can be helping members of the community with tasks like preparing for a medical visit and keeping a personal health record.

If your organization is interested in the training and program, please contact Robin Shapiro at robin.shapiro@washaa.org.

This curriculum has been in development for 18 months and began with a group of volunteers who wanted to bring the concept of volunteer health advocacy to our

communities. We gratefully acknowledge and thank those early visionaries:

- o Selena Bolotin, Qualis Health
- o Rebecca Crichton, Northwest Center for Creative Aging
- o Carol Higgins, Qualis Health
- o Judy Kinney, North East Seattle Together (NEST)
- o Amanda Klein, KleinDoerr Consultants
- o Denise Klein, KleinDoerr Consultants
- o LeighBeth Merrick, Seattle Housing Assistance Group (SHAG)

We also would like to thank people who have served on our Steering Committee overseeing the development of the curriculum and training program:

- Selena Bolotin, Qualis Health
- Rebecca Crichton, Northwest Center for Creative Aging
- Kathleen Crompt, Wallingford Community Senior Center
- Gina Culbert
- Jina Curtis, PNA Village
- Beth Droppert, WASHAA
