WASHAA 2nd Annual 'State of the Industry' Meeting

Dear <<First Name>>,

We are very excited to invite you to the 2nd Annual Washington State Health Advocates Association (WASHAA) Meeting from 7:30 am – 10:30 am, Friday, November 14, 2014!

If you attended last year's 1st Annual Meeting, you might remember the electricity in the room as speakers representing patients, patient advocates, clinicians, students and academic institutions discussed this emerging field and concept. We are pleased to be reporting progress in many areas.
